### ORDERING SYSTEM

All drivers have to order their slicks at the organization. We use a voucher-system for all the race tyres (slicks). For the wet tyres it is not obligatory to buy them at the organization. But if you need them, you need to pre-order it.

Slicks = Voucher System

Wets = if you need wets: voucher system

#### Voucher ordering:

Order your tyres at least Wednesday before the race at [sales@gks.be](mailto:sales@gks.be)
