
Ostricourt, 30/06/2017

Dear participants BNL Championship 2017,

First of all a very warm welcome. Nice to see you again here in France at Ostricourt.

You just signed in for the second round of the BNL Series.

You received two badges: one Drivers badge and one Mechanic badge. If you already joined the BNL Kick-Off or BNL Round 1 you may use those badges.

You must scan 1 set of practice tyres in Parc-Fermé from 09:30h. If you have not passed the Sporting Checks it is not possible to scan your practice tyres.

From 13:00h we will start with the official free practice sessions. It is mandatory to practice with your pre-scanned practice tyres from 13:00h till 18:00h

Micro Max :

Saturday morning from Warm-Up session on you have to use your RACE tyres.

Sunday morning from Warm-Up session on you have to use your RACE tyres.

Mini Max :

During the Warm-up session on Saturday morning you have to drive with you scanned practice tyres. This will be the same set which you used on Friday`s official free practices sessions.

During the Warm-Up session on Sunday morning you have to use your race tyres.

Junior-, Senior-, DD2-, and DD2 Masters Max :

During the Warm-up session on Saturday morning you have to drive with you scanned practice tyres. This will be the same set which you used on Friday`s official free practices sessions.

You are allowed to use all your race tyres (2 sets, 4 front and 4 rear) from Saturdays Qualifying session on, till the end of the event. (Sunday evening). The 8 tyres can be managed freely during Saturday and Sunday.

During the Warm-Up session on Sunday morning you have to use your race tyres.

On Friday 16:00h you can collect your race tyres (with vouchers) in Parc-Fermé.

Further in this folder you will find :

- Time table Friday, Saturday and Sunday
- Technical Sheet (must be handed over fill out during safety technical scrutineering
- How to mount the chassis seal ?
- Fuel station recommendation
- Live timing QR barcode

BNL Organization.
